Dear Parents,

I am looking forward to getting to know you all and of course very excited to teach your children. To assist in getting your child ready for the 2017 school year, a list of required materials is outlined below to guide you when doing your Back to School shopping.

Children in Kindergarten will need the following items:

- pencil case
- 3 boxes of tissues
- library bag
- paint shirt
- school bag large enough to fit an A4 folder in
- lunch box
- crunch and sip container
- drink bottle

Please label your child’s belongings so that if they are misplaced they can be quickly returned to your child.

All other resources including pencils, oil pastels, crayons, lead pencils, erasers, sharpeners etc. will be provided to your child on their first day of school.

Thank you,

Sophie Taylor.
